Reference 1

The president recommends that:

MOTION

"The Board of Regents approves tuition rates for Academic Year 2015 as presented. This motion is effective November 6, 2013."

POLICY CITATION

Regents' Policy 05.10.01 states: "Recognizing that state general fund support is not sufficient to pay the full cost of education and that students have a responsibility to contribute to the cost of their higher education, tuition and student fees will be established to the extent practicable in accordance with the following objectives: (1) to provide for essential support to the university's instructional programs; (2) to make higher education accessible to Alaskans who have the interest, dedication, and ability to learn; and (3) to maintain tuition and student fees at levels which are competitive with similarly situated programs of other western states. Tuition revenues will be used primarily to maintain and expand the educational opportunities provided to students, to preserve and improve the quality of existing programs and support services, to respond to enrollment trends, and to implement new programs."

RATIONALE/RECOMMENDATION

In September 2012, the board confirmed for academic year (AY) 2014 a 2 percent tuition increase for undergraduate, graduate and non-resident graduate rates of tuition. In addition, the board approved a 4 percent increase to non-resident undergraduate rates of tuition. The AY14 increase was one of the smallest tuition increases in over a decade at UA. This was made possible because of belt tightening and other cost savings measures employed throughout the university, such as a hiring delay of up to 90 days on all open positions. While these and other fiscal practices will continue, the need to offset increasing fixed costs and to help maintain the quality of UA's programs and services requires a tuition increase. After careful consideration of the university system budget requirements from among the chancellors, staff, and university community, the president proposes the following tuition increases:

- x for undergraduate resident (100-400) level courses a \$6.00 per credit increase;
- x for graduate resident (500-600) level courses a \$12.00 per credit increase;
- x for undergraduate non-resident (100-400) level a \$12.00 per credit increase and
- x for graduate non-resident (500-600) level courses a \$12.00 per credit increase.

Reference 1 reflects the previously approved AY2014 tuition rates and the proposed increases for AY2015.

The Board of Regents reserves the right to revise tuition rates per Regents' Policy 05.10.060.E.

Anchorage, Alaska

RATIONALE/RECOMMENDATION

The president and selected members of the university administration are routinely designated by the Board of Regents to handle any duties and responsibilities relating to classified information in connection with contracts with the Department of Defense and other federal agencies. These individuals are given an extensive security screening and are the only members of the administration, including the Board of Regents, to have access to classified information.

The university has received similar security clearances since the mid-1950s. Execution of the resolution allows regents and other members of the administration to be exempted from security clearance procedures.

The resolution is identical to resolutions previously passed except for changes to university administration which includes adding a primary and a secondary facility security officer at the University of Alaska Fairbanks.
