

JOB FAMILY CONCEPT

This family consists of four levels of fiscal work – entry level through advanced technical support and supervision. Levels are distinguished based on the complexity and scope of responsibilities, the degree of specialization, and the degree of independent functioning. This job family is distinguished from the Fiscal Professional job family by the primary responsibility for performing technical fiscal tasks. The Fiscal Technician job family addresses responsibility for the following functions:

- Data Entry
- Account review and reconciliation
- Maintenance and reporting of financial data
- Processing transactions for payment
- Financial and regulatory compliance
